Remarks

Beautiful home with an abundance of charm and space, beautiful hardwood floors throughout with an updated roof and windows. Spacious living room featuring an elegant wood and marble-trimmed mantle outlines the wood-burning fireplace. Cozy office featuring judges' paneling, built-in bookcases, and unique plastered ceiling with elegant handcrafted moldings. A quaint kitchen with a separate spacious eating nook that leads to the formal dining room and den. Do not approach this property without confirmed showing, buyer's pre-approval letter must be sent to listing agent before showings are approved. Interior and exterior of home is monitored by video & audio. Licensed agents must be present for all showings and inspections. This home is not for Lease or Land Contract.
